## New Members of the Clubhouse Program

(+436% from previous year)

The clubhouse model functions around a “work-ordered,” day where members engage in a structured set of daily tasks. This form of rehabilitation, functions to provide members with greater confidence and self-esteem to build basic workplace skills and potentially move forward towards re-entering the workplace. “The Clubhouse is a place where I can come and *not feel judged*. I get a lot out of doing work that refreshes me, and I can make friends at the same time.”

## How can we work together?

### Annual sponsorship

Support our social and community services for the whole year.

### In-kind

We welcome donations of food, clothing, gift cards, and more.

### Event sponsorship for Annual Auction

With over 120+ attendees in the aerospace, finance, IT, and manufacturing industries. In 2024, we raised over \$185,000 through our annual fundraiser.
